September 25th and 26th, 2010
10am – 5pm
Griffith Central Park

**Come join us for our 31st Annual Fall Harvest Craft Show..
We have only handcrafted items being sold at our show.**

No flea market or junk is allowed. Booths spaces are available. They are 12x12 in size at a cost of \$80.00 per booth. Besides the crafts we also have a concession area that includes steamed corn on the cob, stuffed potatoes, pulled pork sandwiches, hamburgers, hotdogs & drinks. The Cub Scouts & Girl Scouts have a bake sale going on during the show.

We have several other Scout troops that sell different kinds of desserts, popcorn or candy. It's a good place to get your Christmas shopping done early!

See you in September!
